

# Sterile Gauze Pads

**Ever Ready First Aid Sterile Gauze Pads are the ideal solution for primary and secondary wound care. The gauze pads are made of knit polyester, creating flexibility and comfort for the wound site. They are non-linting, ravel-free, and available in different sizes.**

- Strong, durable and convenient.
- High quality bandages for treating injuries.
- Made from 100% cotton.
- Folded edges minimize loose threads and lint.
- Packed in dispenser boxes for quick and convenient access.
